***Allowable Subject Matter***

Claims 8-17 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance: The prior of record does not teach nor disclose a sample observation method and apparatus comprising the steps of acquiring at a first scale factor, a reference sample image not including any defect on a sample with an imager, based on information on a defect on the sample detected by an inspection apparatus, and locating the defect on the sample image by comparing the reference sample image and the defective sample image, and acquiring and magnified image of the defect, at a second scale factor greater than the first scale factor without changing the position of the sample in combination with the rest of the claims. Since this aspect is not taught or disclosed in the prior art of record, each of the independent claims, 8,9,12,13,14, and dependent claims 10-11, and 15-17, which also incorporates this, aspect are deemed allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
